

IN THE SUPREME COURT OF TEXAS

No. 08-0380

IN THE INTEREST OF G.B., P.B., N.B., AND V.R., CHILDREN

ON PETITION FOR REVIEW FROM THE
COURT OF APPEALS FOR THE FIRST DISTRICT OF TEXAS

PER CURIAM

The petition for review is denied. In denying the petition, we neither approve nor disapprove the holding of the court of appeals regarding whether Texas Family Code section 263.405(i) prohibits an appellate court from considering an ineffective assistance of counsel claim that was raised for the first time on appeal.
